Dimeo Construction Company Celebrates Topping-Off Ceremony for the new Retail and Parking Expansion at the Natick Mall

Natick, MA – Dimeo recently celebrated a key milestone with the placement of the final steel beam atop the new Retail and Parking Expansion, designed by Beyer, Blinder & Belle Architects, at the Natick Mall.

Dimeo is currently serving as the Construction Manager for General Growth Properties for the major expansion and renovation to the Natick Mall. This multi-phased project includes 550,000 sf of new retail space on two floors, anchored by Nieman Marcus and Nordstrom's, and over 1,800 structured parking spaces on three separate parking decks. In addition to the new construction, Dimeo is also renovating 160,000 sf of the existing occupied mall and is scheduled to be complete for the upcoming holiday season.

Quote from Jim Young, Director of Construction for General Growth Properties:

"...About two years ago Frank Allard from Dimeo Construction Company and I started planning how we were going to build this project. I can tell you now this is exactly how we wrote it. Dimeo Construction Company, as most of you know, is the Construction Manager building this expansion. From the planning to the execution of this well run, safe project, I can't begin to tell you what a pleasure it has been working with such a class act. We started last August and we will be opening September 7, 2007 at 9:30 am."

Quote from Steve Rutledge, Chief Operating Officer/Executive Vice President, Dimeo Construction Company:

"...to my knowledge, this is the largest commercial building project presently underway in New England" .

Dimeo Construction Company is a New England-based firm with offices in Providence, RI, New Haven, CT, and Westwood, MA. Founded in 1930, Dimeo has provided over 75 years of construction management, general contracting, and design/build services to a broad range of clients including educational, healthcare, R&D, corporate, retail, and manufacturing industries. Additional information about Dimeo can be found at www.dimeo.com.
