Dimeo Construction Company completes Memorial Hospital Endoscopy Addition

Pawtucket, RI – Dimeo Construction Company completed the new Endoscopy Addition at Memorial Hospital in Pawtucket, RI, designed by Vision 3 Architects. Memorial Hospital of RI, a Brown University teaching and research hospital, selected Dimeo to build a one story addition for their endoscopy unit. The Endoscopy Department offers the latest technology for a variety of endoscopic diagnostic and screening procedures. With preparation and recovery areas for outpatients providing streamlined admission and discharge processes, patients are allowed to return home after just a few hours.

Dimeo Construction Company is a New England-based firm with offices in Providence, RI, New Haven, CT, and Westwood, MA. Founded in 1930, Dimeo has provided over 75 years of construction management, general contracting, and design/build services to a broad range of clients including educational, healthcare, R&D, corporate, retail, and manufacturing industries.
